

FAIRFAX COUNTY PUBLIC SCHOOLS PARTICIPATION POLICY

STUDENT ACTIVITIES

2012-2013

Introduction

Extracurricular activities, Co-curricular requirements, and interscholastic athletic programs collectively, "Student Activities", are a part of the total school program and provide opportunities for students to supplement their classroom experiences. Participation in student activities is a privilege, not a right. School administrators may suspend student participation in student activities to include any performance or representation of the school or FCPS for inappropriate conduct, regardless of whether that conduct occurs during the school day, evenings, weekends, or holidays. Inappropriate conduct includes but is not limited to the following: conduct in violation of rules and agreements established between students and their coaches, sponsors, or teachers; conduct in violation of a school's student behavior guidelines; VHSL rules or FCPS Regulation 2601 (Student Rights and Responsibilities). Although students may use the Regulation 2601 complaint procedure to appeal decisions regarding student activities, the school administrator's decision to exclude or suspend student participation in Student Activities will not be delayed while the student pursues his or her complaint right.

Coaches and sponsors will distribute activity rules and policies at the beginning of each season and may supplement those rules and policies thereafter, as appropriate. Coaches and sponsors will discuss and clarify their expectations regarding school-wide participation policies and the particular activity's rules and commitments. Students are required to comply with these rules and, may forfeit their privilege to participate if they engage in any prohibited conduct.

Co-curricular requirements that occur after-school as extensions of classes will have written procedures governing graded, alternative assignments. Should a student forfeit his/her privilege to represent the school at public performances and events, these alternative assignments will replace public, after-school requirements associated with the class. These written procedures will be included in course handouts, syllabi, and grading design.

Virginia High School League Eligibility

The eligibility of any student who is reassigned to a different school following disciplinary proceedings for prohibited conduct and who seeks to participate in any activity, including interscholastic athletics, governed by the Virginia High School League (VHSL) is subject to:
